Community Partners Announces 2011 Campaign Chairs

The Buffalo County Community Partners 2011 Annual Fund Campaign will be led by co-chairs Dr. Joel Johnson and Stan Clouse, with the assistance of honorary chair Jackie Rosenlof.

Buffalo County Community Partners is launching the 2011 Annual Fund Campaign to raise \$125,000 to fulfill their mission: to improve the health status of Buffalo County residents by **identifying** priority well-being issues in the community; **creating** county-wide strategies to target these issues; **building** community partnerships to address community goals; and **improving** the overall health status by measuring community progress.

A Note From the Director

Partnership building is the strength of this organization.

Today, 1,000 volunteers and 200 organizations are working together to create positive change in their community. These volunteers are making 450,000 personal contacts annually. **Every \$1.00 donated to Buffalo County Community Partners is matched by \$3.00 in grant funding.** Our local donors are leveraging significant change in Buffalo County.
