**Over 50% of people with Alzheimer's disease do not have a medical diagnosis.**

**1 in 3 seniors dies with Alzheimer's disease or another dementia.**

**Every 68 seconds, someone new develops Alzheimer's disease.**

**Alzheimer's  
& Dementia  
Coalition**

A GOAL WORK GROUP OF BUFFALO COUNTY COMMUNITY PARTNERS®

Our mission is to increase the community's knowledge of dementia, including Alzheimer's disease. This will be achieved by building community partnerships, increasing education, and heightening awareness. For additional resources, visit [bcchp.org/alz](http://bcchp.org/alz).

**Our mission** is to increase the community's knowledge of dementia, including Alzheimer's disease. This will be achieved by building community partnerships, increasing education and heightened awareness.

**Our vision** is that our community understands dementia and the resources available.

## Goals

- Increase the proportion of persons assessed for and/or diagnosed with Alzheimer's disease and other dementias, or their caregiver, who are aware of the diagnosis.
- Reduce the proportion of preventable hospitalizations and readmissions in persons with diagnosed Alzheimer's disease and other dementias.

**The number of people 65 and older with Alzheimer's Disease increased 12% from 2000 to 2010, and is predicted to increase 18% by 2020.**

## Monthly Meetings

The coalition meets the last Thursday of the month, from 10:30-11:30 a.m., at Community Partners' conference room. Everyone is welcome to join.
