Scope. A one-time \$2,000 stipend is available through an application process to any newly licensed childcare center from July 1, 2023, through April 29, 2024. This initiative is an opportunity to increase childcare capacity in Buffalo County. It is made possible through Coronavirus Response and Relief Supplemental Appropriations (CRRSA) and Communities for Kids (C4K) Preschool Development grant funds and powered by the Buffalo County Early Childhood Collaborative (BCECC). The BCECC facilitates community conversations that lead to opportunities for young children to learn, grow, and develop in high-quality, safe, and loving environments. BCECC was started to strengthen partnerships among agencies, increase parent engagement, and support childcare providers while continuing to identify gaps and barriers and build on strengths within our community surrounding early childhood.
