AYÚDENOS A AYUDARLE

Reconstruir los cimientos de su vivienda requerirá un arduo trabajo en su nombre, así como en las agencias de ayuda de sus comunidades. Lo alentamos a tomar uno o dos de los siguientes pasos para reconstruir los cimientos de su vivienda. También es importante que se comunique con su arrendador para intentar llegar a un acuerdo sobre los próximos pasos. Utilice estos programas y proveedores de servicios para crear objetivos a corto y largo plazo. Sepa que los servicios de emergencia tienen fondos limitados y que algunos programas solo pueden ayudar en una ocasión. Queremos que tenga éxito, lo alentamos a que sea un consumidor informado de los servicios en su comunidad. Estas agencias se reúnen regularmente para mejorar el acceso, la coordinación de servicios y recursos para las personas necesitadas.
